

COOL COMPONENTS INCORPORATED

Limited Warranty

Cool Components, Inc. (the "Company") warrants the products manufactured by the company and sold by Authorized Resellers with a lifetime warranty on housings and enclosures, a three (3) year warranty on fans, and a one (1) year warranty on electronics. Products are warranted to be free from defects during this period when operated under normal circumstances and environments with routine maintenance and cleaning.

Abuse, faulty cooling system design and installation, harsh environments, and other situations that would lead to premature failure are not covered under warranty. In the event of fan failure, replacement fans will be provided at no charge and in the event the failure is not covered under warranty, replacement fans can be purchased to cost effectively repair the products. Defective housings and electronics should be returned to Cool Components Inc. after completing the RA process.

The Company's sole liability to the purchaser, and the purchaser's (or any other party's) sole and exclusive remedy, under this warranty shall be limited, at the Company's discretion, to either the return of and refund of the price paid for, or repair or replacement of the products purchased, or any part or parts thereof, which the Company has determined to be defective.

This warranty does not cover damage due to acts of God, accident, misuse, abuse or negligence by parties other than the Company, or any modification or alteration of the products. In addition, this warranty does not cover damage due to improper handling, assembly, installation or maintenance. This warranty is in lieu of all other warranties, either express or implied.

To the maximum extent permitted by applicable law, in no event shall the company be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption or any other monetary loss) arising out of the use of the products purchased, even if the company has been advised of the possibility of such damages. The company's liability to the purchaser (or any other party) shall in no event exceed the purchase price of the products paid to the company.
